

VINITA WILL HAVE BIG NATATORIUM

Dr. Williams Submitted an Excellent
Proposition at Friday Night's Meet-
ing of Commercial Club.

The Commercial club met last night, it being the first meeting in the new rooms. That interest in the work of the organization has been revived by the coming of statehood and the securing of a comfortable meeting place was proved by the attendance, more than fifty being present, in spite of the rather disagreeable weather.

President Riddle presided, and Secretary Charlesworth was at his place. A number of communications were read and routine business was transacted.

The club then listened to the proposition of Dr. Williams for the erection of a bath house and swimming pool here. In brief, the doctor proposes to build a pool 60x125 feet, a modern bath house with not less than fifteen rooms, cooling room and Turkish bath, a sanitarium, and to make a park and lake on the east side at Bull Creek, all to cost between \$20,000 and \$25,000.

The property required has already been donated by the Downsville Oil & Gas company. All Dr. Williams asks of the citizens is a bonus of \$2,000. This sum is to be placed in escrow until the doctor shall have complied with all the terms of his contract. The subscribers are to have free use of the swimming pool for themselves and their families for one year for every \$5 subscribed to the bonus.

The proposition was received most cordially by the club, and a committee consisting of the board of directors

and Dr. A. M. Clinkscale, J. A. Wise and F. L. Buckhalter was appointed to solicit subscriptions. The committee met this morning to consult as to plans, and will at once begin work soliciting.

An invitation was received asking the club to send delegates to the convention of commercial clubs at Sulphur on July 2 and 3. J. W. Orr and F. M. Tarlton were chosen.

The following resolution endorsing the action of the city council in its action on the gas franchise was introduced by G. N. Rebout and unanimously adopted:

In view of the valuable services rendered the city of Vinita by the city council of said city at its recent meeting of June 21, 1906, be it Resolved: That the Commercial club of Vinita extend to the city council its hearty appreciation and approval of the action taken by said council at its meeting last evening, in passing the gas franchise as accepted by the Warren company, as it believes that it not only voices the sentiments of its own body, but also those of all the citizens of Vinita in saying that said franchise is the best which could have been secured for said city of Vinita.

The club then adjourned. Next Friday, the 28th, there will be a speaker and general socialization, in honor of statehood and the new club rooms. All members of the club and those interested in its work are asked to be present.

NEW HOME

Work Begun on Chris-
tian Church's New
Building.

The Building Committee of the Christian church has been granted a loan of \$2500 by the Board of Church Extension and has taken local pledges amounting to over \$4000 for the building of their new brick church on the corner of Thompson street and Canadian avenue, and has begun excavating for the basement.

It will be a commodious church 50 x 70 feet. The basement will be the full size of the building and be divided into a large social and library room, kitchen, dining room and parlor for the ladies to give dinners or entertain in, while the main floor will consist of a large auditorium with a Sunday school chapel separated therefrom by flexfold doors, so that the entire floor may be thrown into one room.

The building is expected to cost \$8000 and will make a fine addition to our city, overlooking, as it will, South park.

The building committee expresses itself as greatly pleased with the liberality shown by our citizens in contributing to the building fund and the work would have been begun much sooner except for its desire to have the entire \$8000 pledged before beginning, and it was also delayed in securing the church loan. While the committee has still \$1500 to raise many of our citizens have not been canvassed for want of time by the committee from their daily avocations while others have signified their intention to contribute but have not yet fixed the amount and as the prospects are so excellent it has been decided to commence the building operations at once.

CHARGE CONSPIRACY

Sensational Disclosures in St.
Joseph Case

Kansas City, Mo., June 21—Judge Smith McPherson in federal court today issued a temporary injunction restraining proceedings in the probate court at St. Joseph to declare Mary V. Burns insane. She is the only surviving heir of Calvin E. Burns, whose father owned a third of the shares of the Burns estate at St. Joseph, valued at \$2,000,000.

The defendants include Judge A. M. Woodson, Democratic nominee for judge of the supreme court, Ralph A. Brinkley, one of the Republican leaders of northwest Missouri, James A. Gibson, Fielding Mason, C. F. Strop and James W. Boyd.

The petition filed today asserts that the recent move to declare Mary Burns insane was the result of a conspiracy.

HARD STORM IN SOUTHWEST

Lawton, Okla., June 21—Fifty houses were wrecked between Lawton and Graham, Texas, last night by a terrific wind storm. A passenger train near Lawton was nearly blown from the tracks. The storm caused damage and killed several persons. It is the worst known storm since the beginning of the season.

DISMISSED THE CHARGE

Muskegon, Mich., June 21—An indictment against a woman charged with the murder of her husband, was dismissed today by the federal grand jury.

Women Suffragists Arrested.

London, June 21—Miss Billington, Miss Keate and three other leaders of militant women suffragists were arrested in Cavendish square yesterday for creating a disturbance. One woman was later sent to jail.

OSAGE ALLOTMENT WILL FIGHT STANDARD OIL

Conference Report Adopted by
the House.

Washington, June 21—The house today adopted the conference report on the bill for the division of the lands and funds of the Osage Indians of Oklahoma.

The conference report on the post-office bill was adopted, which passes the bill.

The sundry civil bill was sent to conference, and the house then resumed consideration of the pure food bill, which will be put upon its final passage this afternoon.

HIS NERVE FAILED HIM

Chicago, June 21—Richard Ivens was hanged here today for the murder of Mrs. Beulah Hollister. The condemned man said he stood upon the drop fixed death in the same stolid manner in which he has conducted himself since his arrest.

When he stepped upon the scaffold, however, much of his courage failed him. Just before the trap was closed over his head he attempted to utter a prayer, but although his lips moved continuously no sound could be heard and he was hanged before a word had been uttered.

MUTINY AT SEVASTOPOL

St. Petersburg, June 21—A serious mutiny which for a time threatened to place the fortress of Sevastopol in possession of revolutionaries was suppressed yesterday, according to a special dispatch. The mutiny was started by a battalion of fortress artillery, which disarmed two other battalions and then took possession of the guns in the north shore batteries. On the appearance of several loyal regiments of infantry the mutineers returned to their barracks.

CLAYTON AND GILL SELECTED

Mankatoe, June 21—A special to today's Pioneer from Washington says: "Justice W. H. H. Clayton and Joseph A. Gill of the supreme court of the Indian Territory will be selected to district the Indian Territory for the election of delegates to the constitutional convention. Their appointment was decided on today by Attorney General Moody in a conference with the president. Their duties will not extend beyond the distribution of the territory for the constitutional delegates."

SHOT WIFE AND NIECE

Los Angeles, Cal., June 21—Dr. W. H. H. Clayton and Joseph A. Gill of the supreme court of the Indian Territory will be selected to district the Indian Territory for the election of delegates to the constitutional convention. Their appointment was decided on today by Attorney General Moody in a conference with the president. Their duties will not extend beyond the distribution of the territory for the constitutional delegates."

SENATE FOR LOCK CANAL

Washington, June 21—The senate this afternoon voted, 36 to 31, in favor of a lock canal at Panama.
